1. How many years have you coached baseball? _____
2. Have you played organized baseball? No _____ Yes _____ (If yes, please give details)
3. List what you consider to be the highlights of your baseball coaching career.

4. List any experience you have working with youth that you feel would enhance your skills as the summer ball / tournament team manager (i.e. do you coach other sports? Does your job put you in contact with kids? Do you serve or have you served on Little League Executive Committees? Do you officiate in baseball or in other sports? etc.)

5. In the space provided (no attachments please), state your philosophical approach to coaching. Make specific reference to coaching your division (Coach Pitch, Minor, Major, Junior, Senior, Big League) age players on both the House League team and the Summer / Tournament Team.

6. Attach the form that you will use when evaluating and rating candidates for the Summer / Tournament team. State your criteria for selecting players to the team.

7. In the space provided (no attachments please), state what characteristics you would be looking for in your selection of assistant coaches.

8. In the space provided (no attachments please), relate anything you think is important that hasn't been previously covered in this application form.

1. Demonstrated knowledge of baseball through experience in coaching, playing, officiating, convening.
2. Demonstrated knowledge of coaching through experience in coaching baseball, other sports, and certification.
3. Demonstrated ability to work with appropriate age group (in baseball, other sports, volunteer organizations, or professionally).
4. Demonstrated ability to handle similar levels of competition (in baseball or other sports).
5. Demonstrated track record in terms of objectives achieved consistent with the level of competitiveness required of previous positions.
6. Demonstrated commitment level through personal time available.
7. Demonstrated ability to evaluate all available talent using an objective, measurable, and reliable set of criteria.

The above criteria will make up 80% of the overall evaluation marks. The remaining 20% will be based on other factors such as your philosophy, on field demeanor, and the evaluator's subjective review.

What you say on your application form and how you express it is important. Should there be a need, interviews with the candidates may occur.
